

# Sample Multimodal RAG PDF

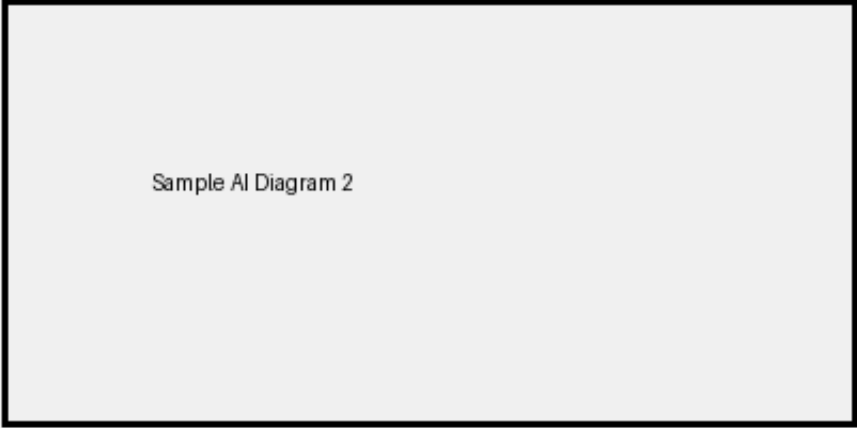

## AI Engineering Overview

This section explains AI engineering concepts including ML, Deep Learning, NLP, and RAG systems.

## Computer Vision

This section contains images and visual diagrams for image understanding pipelines.

A diagram consisting of a large, empty rectangular box with a black border, centered on a light gray background.

Sample AI Diagram 2

## Multimodal RAG

This section demonstrates combining image and text retrieval in modern AI systems.

A diagram consisting of a large, empty rectangular box with a black border, centered on a light gray background.
